PRESS RELEASE - 22 APRIL 2005

LONDON CANDIDATE HOMES IN ON URBAN ISSUES

Ejiro Etefia is standing, as the Alliance For Change candidate, in Bethnal Green and Bow.

Originally from Nigeria, Ejiro is standing for common sense policies and the restoration of human freedoms lost under the present government.

He also draws attention to practical issues affecting the quality of the daily lives of London dwellers in their daily lives, such as the inadequacy of parking provision.

Ejiro wants to see the national minimum wage increased to at least £7.50 per hour.

He wishes jobseekers to have access to appropriate training.

This is candidate who expresses the frustration of people living and working in London today, faced with a modern high-stress life, dominated by poorly managed bureaucracies which often regard their citizens as a source of revenue rather than as those whom they serve.

Convenor, The Alliance For Change
