Dear Mr Straw

How much longer shall we have to wait before the former student radical who decided to help the Chilean mass murderer Pinochet escape justice replies to my unanswered letter of 29 November 2003, headed "Foreign policy questions"? The letter contained certain questions about European Parliament Resolution **A4-0005/1999** Paragraph **27**. Remember?

Please enjoy a visit to our modest website, when you have time.

Yours sincerely,

John Allman
