**PRESS RELEASE - 6 OCTOBER 2005**

### **JOHN ALLMAN'S MISCHIEF THWARTED BY BBC MISCHIEF**

The calculated theatrics of John Allman taking off his

**Alliance For Change .co.uk**

t-shirt whilst New Labour's Jim Devine was delivering his "victory" speech at Livingston in front of BBC cameras, were thwarted by the BBC.

Mr Devine's Livingston by-election "victory" involved transforming a New Labour stronghold into a New Labour *marginal* seat, with scarcely an extra SNP vote being cast, in a by-election effectively boycotted by over 61% of Livingston's voters.

John Allman's thwarted theatrics were that whilst Jim Devine gloated expansively over "winning" a seat with the votes of such a *minute* proportion of those entitled to vote, Mr Allman removed his **Alliance For Change .co.uk** t-shirt, to reveal the

**Ban Mind Weapons .com**

t-shirt he was wearing underneath.

The BBC made very sure that the name of the latter website was not televised legibly.

Intelligent readers might ask themselves *why*, and *at whose bidding* the BBC ensured this outcome.
